Sir:

This application was filed on September 20, 2006 as a national phase application of PCT/DK2005/000236. As indicated in the Application Data Sheet, the Preliminary Amendment dated September 20, 2006, and a copy of the attached PCT application cover sheet, the subject application is a US national phase of PCT/DK2005/000236 and claims priority or the benefit of Danish Application No. PA 2004 00582 filed on April 7, 2004 and U.S. provisional application no. 60/562,396 filed on April 14, 2004. Furthermore, the Declaration and Power of Attorney which was signed by the inventors appoints the practitioners at Customer Number 25908 as their attorneys.

The filing receipt mailed January 27, 2009 contains the following errors in the domestic and foreign priority section:

1. the U.S. provisional application (no. 60/562,396 filed April 14, 2004) is omitted;
- and
2. the foreign priority application (no. PA 2004 00582 filed April 7, 2004) is omitted.

Applicants therefore request the issuance of a corrected filing receipt with complete domestic and foreign priority data.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: February 11, 2009
